Keynote: Tom Deans

Saturday September 12

01:00PM - 01:45PM

Main Hall

The focus of Tom's address is the "Transitioning of Owners" and is geared towards a multi-generational discussion around the baby boomers who are timing out. If you're a Next Gen or Baby Boomer you should definitely take this in. Tom's also very familiar with consolidation.

Tom has written three books, all New York Times Top Sellers.
