TUESDAY

Onsite Registration
08:00AM – 05:00PM

Mayors, Reeves, and CAOs Meeting (Western, Midwestern, Parkland)
09:30AM – 11:30AM

Optional Workshop hosted by the Rural Manitoba Economic Development Corporation
09:30AM – 11:30AM

From Data Overload to Clear Communication: A Hands-On AI Workshop for Municipal Leaders (EVENT POSTER)

This session demonstrates how RMED's Interactive Regional Profiles support municipal decision-making by turning Manitoba-specific data into clear, credible insights. Participants will see the tools in action and explore how they can strengthen Council discussions, public communication, and funding conversations.

Mayors, Reeves, and CAOs Meeting (Central, Eastern, Interlake, Northern)
01:30PM – 03:30PM

Optional Workshop hosted by the Rural Manitoba Economic Development Corporation
01:30PM – 03:30PM

From Data Overload to Clear Communication: A Hands-On AI Workshop for Municipal Leaders (EVENT POSTER)

This session demonstrates how RMED's Interactive Regional Profiles support municipal decision-making by turning Manitoba-specific data into clear, credible insights. Participants will see the tools in action and explore how they can strengthen Council discussions, public communication, and funding conversations.
