10:00AM - 03:00PM

Booth 8-9-10

“Youth Employment Services Manitoba (YES Manitoba) provides free, inclusive employment services for youth between 16 and 29. Our purpose is to prepare youth in realizing their potential to become self-sufficient. We support youth to write a strong resume and cover letter, prepare for job interviews, find job postings that fit their needs and interests, register for education and training opportunities, and much more. For over 50 years, YES Manitoba has provided a safe and supportive environment where youth can learn new skills, develop confidence in themselves, and feel supported during their transition to employment.

YES Manitoba is proud to host employment readiness and life skill development programs for youth receiving EIA, and is a partner in Futures Forward, a unique collaborative program that provides services to youth who have been in the foster care system.

At Future Now Expo, visit YES Manitoba’s booths 8-9-10 for hands-on services: on-the-spot interview practice, resume resources, connections to job postings, employment resources, and much more!”
